

CHANGE NOTIFICATION TO FACILITY REIMBURSEMENT POLICY

October 1, 2018

RE: Facility Revenue Code Billing (Facility Reimbursement Policy – New)

Dear Provider:

Anthem Blue Cross and Blue Shield, and our subsidiary company HMO Nevada, (Anthem) will implement the new facility reimbursement policy, *Facility Revenue Code Billing*.

Beginning with dates of service on or after January 1, 2019, Anthem will require that facilities billing outpatient services on a UB04 report current and valid CPT or HCPCS codes with revenue codes as specified by the National Uniform Billing Committee (NUBC). Anthem will also require that outpatient facilities report current and valid CPT or HCPCS codes for remaining revenue codes when, and if, appropriate CPT or HCPCS codes are available for the revenue codes being reported. In addition, Anthem will require that applicable CPT or HCPCS modifiers be reported with the CPT or HCPCS codes to clarify or improve the accuracy of the procedure being reported when appropriate.

For more information, view this policy online. Go to **anthem.com**. Select **Providers**, then **Providers Overview**. Select **Find Resources for Your State**, and pick **Nevada**. From the **Answers@Anthem** page, select the **Reimbursement Policies – Facilities** link, then **Facility Revenue Code Billing**.

If you have questions or need further information, please contact your hospital contract manager. Thank you as always for everything you do for our members.

Sincerely,
